## QLD take trophy

QUEENSLAND has taken home the Duke Trophy after a slick performance at Canterbury Olympic Ice Rink over the weekend.

Some 51 speed skaters took part in this exciting competition that featured teams from NSW, Victoria and Queensland including past and future Olympians.

Both the NSW Senior Mens and Ladies relay teams broke national records. The NSW team of Ben Southee, Grant Hester, Noah Essaghir and Pierre Boda won the 3000m and 5000m relays, beating a strong team from Queensland.

In the Ladies, NSW skaters Dayoung Kwon, Alix-Myra Anderson, Marissa Earle and Sinead Fogarty took out the Teddy Jenkins memorial trophy and the national record in the 3000m.

Sinead Fogarty also won the Pennington Trophy for the most improved skater at the competition.

Further short track ice racing can be seen at Canterbury Ice Rink in the coming weeks with the Sydney Sprint Cup on August 23 and the NSW State Championships on September 1.

For more information call the rink on 9789 4044.
